G213 PRODIGY GAMING KEYBOARD

Designed for gaming, featuring ultra-quick, responsive feedback that is up to 4x faster than rate of standard keyboards.

Windows 7 or later

- Designed for all types of gamer with any level of skill
- Spill-Resistant and durable
- 5 individual lighting zones in a spectrum of approximately 16.8 million colors
- Features dedicated media controls that can be used to play, pause, and mute music and videos instantly

PART # 920-008084 (Packaging Spanish/English Keyboard)

PART # 920-008083 (Packaging English/English Keyboard)

G413 SE MECHANICAL GAMING KEYBOARD

G413 was conceived, designed, and engineered to deliver advanced performance with just the right feature set.

Mac | Windows 10 or later

- FN keys for media, game mode, lighting and more
- Keycaps are made with PBT—the most durable material on the market provides excellent heat and wear resistance for optimal gaming
- Tactile mechanical switches deliver subtle feedback through the actuation moment
- 6-key rollover with an anti-ghosting gaming matrix provides total control in the heat of the game
- LED lighting thoughtfully designed to enhance concentration and clarity

PART # 920-010433

G413 SE TKL MECHANICAL GAMING KEYBOARD

Made for play. With minimalist tenkeyless design and sturdy, built with durable aluminum alloy. It's ready to compete.

Mac | Windows 10 or later

- Minimalist tenkeyless design and sturdy, durable aluminum alloy build
- Keycaps are made with PBT—the most durable material on the market provides excellent heat and wear resistance for optimal gaming
- Tactile mechanical switches deliver subtle feedback through the actuation moment
- 6-key rollover with an anti-ghosting gaming matrix provides total control in the heat of the game
- LED lighting designed to enhance concentration and clarity

PART # 920-010442

G513 CARBON RGB MECHANICAL GAMING KEYBOARD

GX Blue is an iconic design that provides both tactile and clicky feedback with snappy actuation you can feel and hear.

Windows 7 or later

- Customizable ~16.8M colors per key
- LIGHTSYNC for responsive in-game effects
- Premium top case with aircraft-grade 5052 alloy for durability
- Secondary function keys for lighting, media control and more
- Choice of mechanical switches to suit your play style

PART # 920-009322 (Gx Brown Tactile)

PART # 920-009323 (LAT)

G515 LIGHTSPEED TKL

LOW-PROFILE WIRELESS
GAMING KEYBOARD

- Features low-profile mechanical switches with low-profile PBT keycaps
- 22 mm height design for sleek, ergonomic support with zero compromises to gaming performance
- Multiple connections: choose from LIGHTSPEED wireless, Bluetooth®, or wired data
- Features Lightsync RGB backlit keys with signature lighting
- Use KEYCONTROL to create a personalized control center and program up to 15 functions per key
- Up to 36 hours of battery life*

PART # 920-012423 (Black)

PART # 920-012535 (White)

G915X LIGHTSPEED TKL

This keyboard delivers iconic speed, accuracy, and customization with a sleek, tenkeyless design.

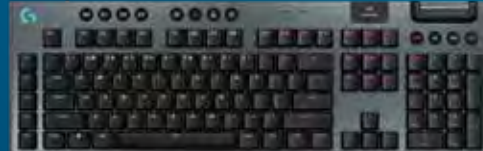

Mac | Windows 10 or later

- Next-gen performance meets trusted design
- Ultra-fast GL switches with 1.3 mm actuation for speed
- KEYCONTROL: Up to 15 functions per key, plus 9 G-keys and media controls
- Tri-mode connectivity: LIGHTSPEED wireless, Bluetooth®, or wired
- Ultra-thin (23 mm) for comfort and sleek design
- Durable double-shot PBT keycaps and premium brushed aluminum top

PART # 920-012732 (White)

PART # 920-012715 (Black)

PART # 941-000193 (XBOX/PC)

PRO RACING PEDALS

Load cell brake. Fully customizable design.

- The load cell brake enhances muscle memory and provides consistent braking power by detecting applied force precisely
- Each pedal's feel is quickly adjustable; drivers can swap springs for a firmer or softer clutch and gas pedals, and elastomers for a softer or harder brake feel
- Pedals can be moved horizontally for ideal spacing, with removable modules for easy customization

PART # 941-000186

Controllers

F310 GAMEPAD

Designed for the PC gamer looking for an advanced console-style controller.

Windows Vista or later

- Full compatibility of MPLIA games
- F310 is easy to set up and use with your favorite games thanks to XInput/DirectInput
- Exclusive 4-switch D-pad

PART # 940-000110
